PRESS RELEASE

Although the Gogebic County Courthouse will remain open for business, precautionary measures have been put into place to assure the safety of all courthouse staff and the public. These measures are subject to change depending on the situation concerning the outbreak of COVID-19 not only in Gogebic County, but the rest of the state and country as well. Courthouse hours are from 8:30 a.m. to 4:30 p.m. Monday through Friday.

We are encouraging the OSHA protocols. We are meeting frequently to stay informed on updates from various organizations, checking the CDC website, our local health department updates and updates from Gogebic County Emergency Management Director.

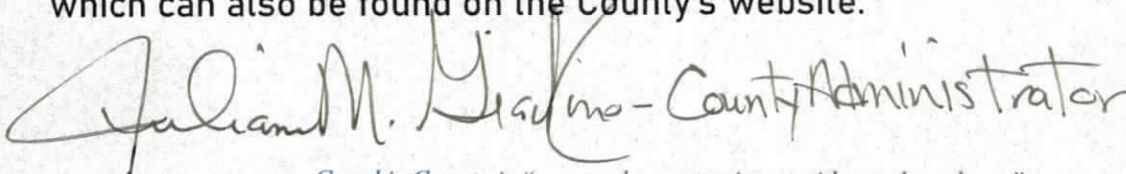

If you or a member of your household is sick and have business with the courthouse you are asked to stay at home and use other means of available communication.

On the County's website (gogebiccountymi.gov), you will find email addresses for the various offices including phone numbers. All the offices will be more than willing to assist the public in any way they can.

The number to the Administrator's Office is 906-667-0411.

Main fax number is 906-663-4660

The Courts have issued a separate press release in response to COVID-19 which can also be found on the County's website.
